

## § 1.973

appellant's rebuttal brief will not be considered.

[68 FR 71008, Dec. 22, 2003]

### § 1.973 Oral hearing in *inter partes* reexamination.

(a) An oral hearing in an *inter partes* reexamination appeal should be requested only in those circumstances in which an appellant or a respondent considers such a hearing necessary or desirable for a proper presentation of the appeal. An appeal decided without an oral hearing will receive the same consideration by the Board of Patent Appeals and Interferences as an appeal decided after oral hearing.

(b) If an appellant or a respondent desires an oral hearing, he or she must file a written request for such hearing accompanied by the fee set forth in § 1.17(d) within two months after the date of the examiner's answer. The time for requesting an oral hearing may not be extended.

(c) An oral argument may be presented at oral hearing by, or on behalf of, the primary examiner if considered desirable by either the primary examiner or the Board of Patent Appeals and Interferences.

(d) If an appellant or a respondent has requested an oral hearing and has submitted the fee set forth in § 1.17(d), a hearing date will be set, and notice given to all parties to the reexamination proceeding, as well as the primary examiner. The notice shall set a non-extendable period within which all requests for oral hearing shall be submitted by any other party to the appeal desiring to participate in the oral hearing. A hearing will be held as stated in the notice, and oral argument will be limited to thirty minutes for each appellant and respondent who has requested an oral hearing, and twenty minutes for the primary examiner unless otherwise ordered before the hearing begins. No appellant or respondent will be permitted to participate in an oral hearing unless he or she has requested an oral hearing and submitted the fee set forth in § 1.17(d).

(e) If no request and fee for oral hearing have been timely filed by an appellant or a respondent, the appeal will be assigned for consideration and decision on the written record.

## 37 CFR Ch. I (7-1-04 Edition)

### § 1.975 Affidavits or declarations after appeal in *inter partes* reexamination.

Affidavits, declarations, or exhibits submitted after the *inter partes* reexamination has been appealed will not be admitted without a showing of good and sufficient reasons why they were not earlier presented.

### § 1.977 Decision by the Board of Patent Appeals and Interferences; remand to examiner in *inter partes* reexamination.

(a) The Board of Patent Appeals and Interferences, in its decision, may affirm or reverse each decision of the examiner on all issues raised on each appealed claim, or remand the reexamination proceeding to the examiner for further consideration. The reversal of the examiner's determination not to make a rejection proposed by the third party requester constitutes a decision adverse to the patentability of the claims which are subject to that proposed rejection which will be set forth in the decision of the Board of Patent Appeals and Interferences as a new ground of rejection under paragraph (b) of this section. The affirmance of the rejection of a claim on any of the grounds specified constitutes a general affirmance of the decision of the examiner on that claim, except as to any ground specifically reversed.

(b) Should the Board of Patent Appeals and Interferences have knowledge of any grounds not raised in the appeal for rejecting any pending claim, it may include in the decision a statement to that effect with its reasons for so holding, which statement shall constitute a new ground of rejection of the claim. A decision which includes a new ground of rejection shall not be considered final for purposes of judicial review. When the Board of Patent Appeals and Interferences makes a new ground of rejection, the patent owner, within one month from the date of the decision, must exercise one of the following two options with respect to the new ground of rejection to avoid termination of the appeal proceeding as to the rejected claim:

(1) The patent owner may submit an appropriate amendment of the claim so rejected or a showing of facts relating to the claim, or both.
